STAFF REPORT

**CITY OF CALIMESA
CITY COUNCIL MEETING**

SUBJECT: CITY COUNCIL REGIONAL FIRE SERVICES AD HOC COMMITTEE

MEETING DATE: April 6, 2015

PRESENTED BY: Randy Arstine, City Manager

RECOMMENDATION: It is respectfully recommended that the City Council provide direction to staff as to how to proceed with the "Regional Fire Services Ad-Hoc Committee" that was established at the March 16, 2015 meeting.

BACKGROUND: Staff has conferred with the City Manager from the City of Beaumont regarding whether or not the Beaumont City Council has an Ad Hoc Committee that meets with adjacent cities to discuss items of mutual interest. The City Manager informed me that the Beaumont City Council does not have any such ad hoc committee.

FINANCIAL IMPACT: This action has no impact on the approved fiscal year budget.

Frank lets have that meeting with Alan we were talking about.

That should work. I will get something showing the current available funding (I believe there is \$2.2 million in the mitigation account) so that Nancy Carroll can present that. Monday is actually June 1st, and I need to be in Calimesa for a meeting at 6pm. Do you anticipate this meeting will be done? I assume we will meet at 5pm?

Yes I heard you were retiring.

I wanted to do the Next Meeting Monday June 2nd. I wanted to review the Funding for the Fire Station and in Our Meeting Al was going to put together some information on the Funding Sources available for the Station.

Also I would like to ask Jim Hawkins to Come review regional Protection.

What do you think.

Hi everyboby. You've all been aware of the recent events that have taken place at City Hall and as a result our committee has not progressed as I would have liked.

There is discussion today that this committee May or May not require public noticing, per open meeting laws I initially asked this question prior to starting and it seemed we are fine. However, given recent changes in the Cities Legal Counsel there is discussion as to the noticing requirements again. I think it's a good discussion and we should always error on the side of public disclosure.

As a result, we will postpone our public safety meeting one week for June 8th. This will give us time notice the meeting.

As of today I have two Items on the Agenda 1) Financial Briefing on Available Funds and 2) Discusion of fire stationss/ locations Options

If you have an Agenda tem you would like added please email it to Me by 10AM Wednesday so we may prepare the agenda notice.

But again for tonight meeting rescheduled to 4pm Monday June 8th
