Subject: Re: Beaumont Fee Invoices

Sorry for the nightmare! Since I am trying to clean up some of the old accounts, I took what money was left in them 1st. Therefore, I had to take money from a couple of accounts to pay one invoice. For instance, Invoice No. 4 in the amount of $4,045 is paid as follows: 1994A $372.04, 2000A $96.34, 2002A $1,095.16 and 2003A $2,481.46. Invoice No. 5 in the amount of $3,470 is paid from 2003A $3,433.97 and 2003B $36.03.

Subject. Beaumont Fee Invoices

LaNora,

I do not know if you can help, but we received Requisitions from the City to only pay part of our trustee fees from the various expense funds. This creates a real accounting problem in our fee department.

Can the various expense funds be sufficiently funded to pay the entire fee invoices?

Please let me know.

Thank you,

(successor to BNY Western Trust Company which was successor to Meridian Trust Company of California), as trustee (the "Trustee") pursuant to that certain Indenture of Trust dated as of January 15, 1994, by and between the District and the Trustee as amended and supplemented, including the Fifth Supplemental Indenture dated as of March 1, 2003 by and between the District and the Trustee (collectively, the "District Indenture"), under the terms of which the District has issued the above-captioned Bonds, to pay from the moneys in the Costs of Issuance Fund established pursuant to the District Indenture, the amounts shown on Schedule I attached hereto to the parties indicated in Schedule I.

2. The payees, the purposes for which the costs have been incurred and the amount of the disbursements requested are itemized on Schedule I hereto.

3. Each obligation mentioned in Schedule I hereto has been properly incurred and is a proper charge against the Costs of Issuance Fund. None of the items for which payment is requested has been reimbursed previously from the Costs of Issuance Fund or the Construction Fund

4. There has not been filed with or served upon the City of the District a stop notice or any other notice of any lien, right to lien or attachment upon, or claim affecting the right to receive payment of, any of the money payable to the person(s) named on Schedule I hereto which has not been released or will not be released simultaneously with the payment of such obligation, other than liens accruing by mere operation of law.

Re: Water fees for Oak Valley Greens, "Solara", Tract 29189

Dear Dave,

Improvements of our Active Adult Tracts 29186 – 29189 and 31215 are currently in progress. In order to begin water improvements for Tract 29189 the Facility Fees need to be paid from the Communities Facilities District to Beaumont Cherry Valley Water District.

The attached exhibit from our Agreement with Beaumont Cherry Valley Water District reflects what we owe for this tract.

Per our agreement please expedite the payment of these facilities fees as soon as possible.

Thank you for your attention to this matter.

Sincerely,

Paul Quill

TRACT 29189

WATER MAIN EXTENSION
AND FACILITIES CONSTRUCTION AGREEMENT

This Water Main Extension and Facilities Construction Agreement ("Agreement") is entered into as of April 2003, by and between the Beaumont-Cherry Valley Water District, a public agency, ("BCVWD") and Pulte Home Corporation, a Michigan Corporation, for the construction of water systems to serve Tract 29189.

RECITALS

A. Developer owns certain real property ("Property") in the County of Riverside, more particularly described in Exhibit "A" attached hereto and incorporated herein by reference.

B. Developer has applied to BCVWD for water service to the Property. BCVWD is willing to provide service to the Property in accordance with its Regulations Governing Water Service and upon payment by Developer of applicable fees and construction and installation of certain facilities as set forth herein. The Property is comprised of all real property owned by Developer with the tract or subdivision subject to a specific plan, tract map, parcel map, or other similar documentation.

C. Certain facilities must be designed, constructed, installed, and then transferred/conveyed to BCVWD in order to provide water service to the Property ("Water Facilities"). Developer shall design, construct, and install the Water Facilities at its sole cost and expense.

D. This Agreement is intended to provide the terms and conditions upon which Developer shall construct and install the Water Facilities and pay certain fees necessary for constructing and installing the Water Facilities and to initiate delivery and receipt of service to tract 29189. The provisions of this Agreement shall be in addition to all other obligations and fees required in order to initiate the provision of water and recycled water service to the property.

NOW, THEREFORE, in consideration of the terms and conditions set forth in this Agreement, the parties agree as follows:

1. Water Service

a. **(Construction And Installation Of Water Facilities And Oversized Water Facilities)** (i) Developer shall be responsible for construction, installation, testing and disinfections of the Facilities within one (1) year of the Effective Date. The Water Facilities are more particularly described in the plans and specifications ("Plans") attached or referred to in Exhibit "B" hereto and incorporated herein by reference. For purposes of this Agreement, the date set forth in the preamble is the effective date ("Effective Date").

(ii) **(BCVWD Standards.)** Developer shall construct the Water Facilities in absolute compliance the Plans, including any phasing design, and in accordance with BCVWD's "Standards for the Furnishing of Materials and the Construction of Water Facilities and preparation of Water System Plans," dated January 1996, and they may be amended from time to time, which are available at BCVWD's office and are incorporated herein by reference.

(iii) **(Completion Guarantee.)** The total amount of the construction costs, as estimated by Developer's engineer for the Water Facilities shown on the Plans, equal $_____. Developer shall post a completion bond, irrevocable letter of credit, or other surety or deposit, all subject to approval by BCVWD, in the amount of $_____, to guarantee completion of the Water Facilities within one (1) year from the effective date of this Agreement.

(iv) **(Workmanship Guarantee.)** Developer shall, by virtue of an irrevocable letter of credit, or other surety or deposit, all subject to approval by BCVWD, guarantee the completed work against repairs necessitated by defective workmanship or materials furnished and installed for a period of one (1) year from the date of acceptance of the dedication of the Water Facilities by BCVWD. Developer shall furnish such guarantee in amount equal to the total cost of construction and installation; provided, however, that the bond, irrevocable letter of credit or other surety may be cancelled, reduced or replaced from time to time with the express written consent of BCVWD, which consent may be withheld in BCVWD's sole and absolute discretion.

(v) **(Award of Contracts.)** Developer shall be solely responsible for securing appropriate contracts for construction and installation in compliance with all applicable federal, state, and local laws. Developer's contractor shall secure all necessary permits, including without limitation construction and encroachment permits required by federal, state and local agencies having jurisdiction over the Property.

(vi) **(Inspection and Transfer of Project.)** (A) Without modifying or limiting Developer's obligations under this Agreement, BCVWD shall have the right but not the obligation to, monitor the installation, testing, and disinfect ion of the Water Facilities. BCVWD shall have access to the Property at all times to conduct any tests or inspections. Any deficiencies in the Water Facilities shall be corrected by Developer at its sole cost and expense. Upon completion of the construction and installation to the satisfaction of BCVWD, the Water Facilities shall be presented to BCVWD for dedication and acceptance. Acceptance shall not be considered as a determination by BCVWD that the facilities were constructed in accordance with approved plans, specifications and contract documents, or that they operate satisfactorily, or that all other requirements of this Agreement have been satisfied. Upon acceptance of said facilities, Developer shall convey title to said facilities to BCVWD and shall assign to BCVWD all of Developer's rights and remedies, including warranties. The form of title shall be determined by BCVWD. BCVWD shall not be responsible for any accident, loss, or damage to said facilities prior to acceptance by BCVWD.

(B) Concurrently with the Developer's execution of this Agreement, Developer shall deposit with BCVWD the Thirty four Thousand Dollars ("Deposit"). The Deposit shall be held by BCVWD for all costs and expenses of BCVWD arising out of or in connection with the review of plans and specifications, engineering, surveys, field note and grade sheets, inspections of the work and any matter related to or arising out of the same. Developer hereby authorized BCVWD to sue, apply or retain all or any part of the Deposit to offset its costs and expenses related to the foregoing duties. BCVWD shall not be required to keep the Deposit separate from its general funds, and Developer shall not be entitled to interest on the Deposit. If there are any funds left in the Deposit after the completion or acceptance of all of the work, such excess shall be returned to Developer within thirty (30) days following completion of the work. If further funds are necessary, Developer shall, within thirty (30) days after written demand thereafter, deposit cash with District in an amount which District considers sufficient to pay for the costs and expenses to be included hereunder.

b. Payment of Water Facilities Fees. The applicable water facilities fees for the Property ("Water Facilities Fees") Shall be based upon 108 equivalent dwelling units, which is the total number of EDUs for the Property calculated with reference to the applicable specific plan tract map, parcel map, or other documentation for the Property. Upon completion of the construction of the water system described in Exhibit 'B' attached hereto, Developer shall pay to BCVWD the Water Facilities Fees set forth below on the Exhibit "D" attached hereto and incorporated herein, as may be amended from time to time.

2. **Standard of Care; Safety**. Developer shall ensure that all work is performed in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals and contractors in the same discipline in the State of California. Developer shall procure the services of professionals and contractors skilled in the professional calling necessary to perform the work and licensed and otherwise qualified to perform such work. Developer shall ensure that it and its consultants and contractors execute and maintain their work so as to avoid injury or damage to any person or property. In carrying out their work, they shall at all times be in compliance with all applicable federal, state and local laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed. Developer shall promptly remove any employee who is determined by BCVWD to be uncooperative, incompetent, a threat to the adequate or timely completion of the project, a threat to the safety of persons or property, or who fails or refuses to perform his or her work in a manner acceptable to BCVWD.

3. **Indemnification**. Developer shall defend (with counsel of BCVWD's choice), indemnify and hold BCVWD, its officials, officers, employees, consultant, and agents from any and all and claims, liabilities, losses, costs, expenses, damages or injuries to property or persons, including wrongful death, in any manner arising out of related to any acts, omissions or willful misconduct of Developer, its officials, officers, employees, agents, consultants and contractors arising out of or related to the Agreement or the design, construction or installation of the Water Facilities, including without limitation, the payment of all consequential damages, attorneys fees and other related costs and expenses. At a minimum, this indemnification provision shall apply to the fullest extent of any warranty or guarantee implied by law or fact, or otherwise given to Developer by Developer's design consultant(s) or contractor(s). In addition, this indemnity provision and any such warranties or guarantees shall not limit any liability under law of such consultants or contractors. Without limiting the foregoing, this indemnity shall extend to any claims arising because Developer has failed to properly secure any necessary easements, land rights, contracts or approvals.

4. **Insurance**

a. Requirement. Developer shall require all persons performing work in connection with this Agreement, including its contractors and subcontractors, to procure and maintain, at their expense, until completion and acceptance by BCVWD of the work under this Agreement, insurance against claims for injuries to persons or damages to property which may arise out of, or in connection with, the performance of their work or that of their agents, representatives, employees or subcontractors.

b. Minimum Scope and Limits of Coverage. Such insurance shall have limits no less than: (1) General Liability: $1,000,000 per occurrence for bodily injury, personal injury and property damage; (2) Automobile Liability: $1,000,000 per accident for bodily injury and property damage; (3) Workers' Compensation and Employers' Liability: Workers' compensation limits as required by the Labor Code of the State of California. Employer's Liability limits of $1,000,000 per accident for bodily injury or disease; and (4) Builders'/All Risk: Completed value of the work performed under this Agreement.

c. Professional Liability Insurance. All architects, engineers, consultants or design professionals shall also procure and maintain, for a period of five (5) years following completion of the work, errors and omissions liability insurance with a limit of not less than $1,000,000.

d. Acceptability of Insurers. Insurance shall be placed with insurers licensed to do business in California and having a current A.M. Best's rating no less than A: VIII.

5. **Default**. In the event either party defaults in the performance of any of its obligations under this Agreement, or materially breaches any of the provisions of this Agreement, the other party shall have the option to terminate this Agreement upon written notice to the defaulting party. The foregoing is in addition to any remedies either pay may have in law or equity.

6. **Additional Fees**. In addition to any fees and charges set forth in this Agreement, Developer shall be responsible for any other fees and charges imposed by BCVWD if District-wide application, including but not limited to, front foot fees at such rates as BCVWD shall require.

7. **General Provisions.**

a. Environmental Contamination. Without modifying or limiting Developer's indemnify obligations set forth elsewhere in this Agreement, Developer shall indemnify and hold harmless BCVWD from any liability upon any act or omission of Developer for any violation of any federal, state or local law, ordinance or regulation relating to environmental conditions on, under or about the Property, including, without limitation soil and groundwater conditions, and Developer shall defend, at its expense, including attorneys' fees, BCVWD against any claim, action, or proceeding based upon any such alleged act or omission. BCVWD may, in its discretion, participate in the defense of any such claim, action, or proceeding.

b. No Waiver. BCVWD's or Developer's failure to insist on performance of any of the terms or conditions of this Agreement or to exercise any right, remedy or privilege or BCVWD's or Developer's waiver of any breach hereunder shall not thereafter be deemed a subsequent waiver of any other terms, conditions, or rights, remedies or privileges, whether of the same or similar type. No party will be deemed to have waived any rights under this Agreement unless the waiver is made in writing and signed by the waiving party or that party's duly authorized representative. All rights and remedies provided for under this Agreement are cumulative.

c. Cooperation. The parties agree to cooperate with each other in furthering the purposes of this Agreement. The parties hereby agree to take such other actions and execute such other reasonable documents as are consistent with this Agreement and as are reasonably necessary to effectuate this Agreement; provided, however, that the foregoing shall not require BCVWD to take any legislative action or exercise its discretion in any particular manner.

d. Entire Agreement. This Agreement contains the final and complete agreement between the parties with respect to the matters herein discussed and supersedes all previous communications and agreements between them, either oral or written, to the extent such prior communications and agreements are inconsistent with this Agreement.

e. Assignment Of Agreement. Except as expressly provided to the contrary, this Agreement is not assignable, in whole or in part, by Developer, without the prior written consent of This Agreement is not assignable, in whole or in part, by Developer, without the prior written consent of BCVWD, and any attempt to make such assignment shall be void and shall constitute an incurable material default under this Agreement. Developer may transfer all or any portion of the Property without BCVWD's consent. Such transferee shall take, hold, and develop the Property (or portion thereof) subject to the provisions of this Agreement.

f. Public Works. Developer is required by this Agreement to construct and install certain public works, which will be dedicated to BCVWD upon completion. Unless required by applicable law to do so, Developer shall not be required to perform such work in the same manner and subject to the same requirements as would be applicable to BCVWD had it undertaken such construction including without limitation, the payment of prevailing wages pursuant to Labor Code Section 1770 et seq. Should it be determined in the future by either the Legislature or a court of competent jurisdiction that Developer was required to comply with the same requirements as would be applicable to BCVWD had it undertaken such construction, Developer shall indemnify, defend, and hold harmless BCVWD from any and all liability, including costs of litigation and attorneys' fees, arising from Developer's construction and installation.

g. Attorneys' Fees. In the event that any action or proceeding is commenced between BCVWD and Developer to enforce or interpret any term of this Agreement, the prevailing party in such action or proceeding, in addition to all other relief to which it may be entitled, shall be entitled to recover from the other party the prevailing party's costs of suit and reasonable attorney's fees. The attorney's costs and fees shall include, without limitation, attorney's costs and fees incurred on appeal and those incurred in enforcing any judgment rendered in any such action or proceeding. Such attorney's costs and fees may be recovered as an element of costs in the underlying action or proceeding or in a separate recovery action.

h. Notices. All notices shall be in writing and shall be considered given: (i) when delivered in person to the recipient named below; or (ii) three days after deposit in the United States mail, postage prepaid, addressed to the recipient named below; or (iii) on the date of delivery shown in the records of the telegraph company after transmission by telegraph to the recipient named below; or (iv) on the date of delivery by facsimile transmission to the recipient named below. All notices shall be addressed as follows:

If to BCVWD:

General Manager
Beaumont-Cherry Valley Water District
P.O. Box 2037
Beaumont, CA 92223-2037
Phone: (909) 845-9581
Facsimile: (909) 845-0159

If to Developer:

Pulte Home Corporation, a Michigan Corporation
18401 Von Karman
Suite 200
Irvine, CA 92612

Either party may, by notice given at any time, require subsequent notices to be given to another person or entity, whether a party or an officer or representative of a party, or to a different address, or both. Notices given before actual receipt of notice of change shall not be invalidated by the change.

i. Governing Law. This Agreement and its provisions shall in all respects be interpreted, construed, enforced and governed by and under the laws of the State of California, without regard to its conflict of laws principles.

j. Consent to Jurisdiction, Venue and Service. Any action or proceeding brought respecting this Agreement shall be instituted and maintained in the appropriate court in the County of Riverside, California. Developer hereby forgoes and waives any provision of law providing for a change of venue from such courts on the grounds that BCVWD is or may be a party to any such action or proceeding.

k. Modification. This Agreement may be modified only by another written instrument duly authorized and executed by both BCVWD and Developer.

l. Severability. The provisions of this Agreement are specifically made severable. If any clause, provision, rights or remedy provided for herein is determined to be unlawful or unenforceable, the remainder of this Agreement shall remain in effect and be enforced as if such clause, provision, right or remedy were not contained herein.

m. Rules of Construction. The language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning, and not strictly for or against, either BCVWD or Developer. This Agreement is the product of mutual negotiation and drafting efforts. Accordingly, the judicial rule of construction that ambiguities in a document are to be construed against the drafter of that document shall have no application to the interpretation or enforcement of this Agreement.

n. Execution. This Agreement may be executed in one or more counterparts, each of which shall be an original and all such counterparts together shall constitute the entire agreement of the parties hereto.

o. Authorization. Each individual executing this Agreement hereby represents and warrants that he or she has the full power and authority to execute this Agreement on behalf of the named parties.

WATER FACILITIES FEE

OVERSIZING

1. In addition to the Water Facilities to be constructed pursuant to this Agreement, Developer agrees to construct additional facilities and/or construct the Water Facilities of such size and proportion to provide water service to adjacent and/or additional real property that is not a party of the Property (collectively, "Oversized Water Facilities"). The Oversized Facilities are described in the Plans. The parties hereby agree that each and every provision in this Agreement related to the Water Facilities shall apply to the Oversized Water Facilities, including but not limited to, the design, construction, installation and dedication of such facilities. Further Developer hereby agrees to advance the costs of designing, constructing and installing the Oversized Water Facilities subject to reimbursement as more particularly set forth in this Exhibit.

2. a. Developer shall be eligible for reimbursement in an amount equal to the difference between the costs of the Water Facilities with the Oversized Water Facilities and the costs of the Water Facilities without the Oversized Water Facilities. The costs to be taken into account in determining the amount eligible for reimbursement shall be the costs of construction and installation of the respective facilities only.

b. Reimbursement shall be made only in the event there are funds available from the applicable Water Facilities Fees collected from subsequent property owners or customers whose property is connected to, or otherwise receives service through, that portion of BCVWD's water system of which the Oversized Water Facilities are a part ("Designated Source") and located in the service area described in Exhibit "C-1" attached hereto and incorporated herein by reference. BCVWD shall be under no obligation to require connection of other properties to the water system, if, in the future, BCVWD determines that alternative means of providing such service are more beneficial to BCVWD.

c. Reimbursement shall only be made in the event there are funds available from the Designated Source which are paid by future property owners or customers within a period of ten (10) years from the effective date of this Agreement ("Period of Reimbursement"). Reimbursement shall terminate upon expiration of the Period of Reimbursement, regardless of what portion of the amount eligible for reimbursement as set forth in this Agreement.

d. Within thirty (30) days after completion and formal acceptance by BCVWD of the Water Facilities and Oversized Water Facilities, Developer shall provide BCVWD with an itemized accounting showing all reasonable costs and expense incurred by Developer to construct and install the Water Facilities and Oversized Water Facilities ("Cost Bill"). Reasonable costs shall be limited to the reasonable costs directly and necessarily related to the construction and installation of the Water Facilities and Oversized Water Facilities, including the reasonable costs of permit fees. The Cost Bill shall be itemized in order to segregate that portion of the costs and expenses pertaining to the Water Facilities with Oversized Water Facilities from that portion of the costs and expenses pertaining to the Water Facilities without Oversized Water Facilities. The information to be included with the Cost Bill shall include bills of sale, an executed and filed notice of completion, all contracts and purchase orders, all change orders, and all invoices. The Cost Bill shall be subject to the review and approval of BCVWD, and no costs or expenses on the Cost Bill shall be reimbursable until approved by BCVWD, which approval shall not be unreasonably withheld. Developer agrees to provide BCVWD with any additional information as to any items on the Cost Bill as may be requested by BCVWD. Developer shall not be eligible for reimbursement of any costs or expenses, which are not included in the Cost Bill.

e. Upon completion and acceptance of the Water Facilities and Oversized Water Facilities and BCVWD's approval of the Cost Bill, BCVWD shall notify Developer in writing of the amount eligible for reimbursement to Developer for the Oversized Water Facilities and/or for the portion of the Water Facilities Fees that are imposed to fund the Oversized Water Facilities ("Approved Reimbursement Amount"). Unless Developer notifies BCVWD, in writing, within thirty (30) days of receipt of notice, the Approved Reimbursement Amount shall be deemed final. As funds become available for reimbursement from the Designated Source, BCVWD shall reimburse Developer up to the Approved Reimbursement Amount.

f. Developer hereby agrees that reimbursement may occur over a period of years and that Developer shall not be entitled to interest on any amount of reimbursement due to Developer under this Agreement.

Project: **022-002** **Administration (formerly Grant Apps/Fund Raising)**

Task: **005** **Task Order 6: Stipulated Judgement**

Professional Services for the Period: May 11, 2003 through June 7, 2003

Prepared for and attended the May 12, 2003 STWMA managers meeting regarding stipulated judgment and the follow-on pumpers meeting. Prepared for and attended pumpers meeting on May 19, 2003. Also met with Andy Schlange that same day regarding the project budget. Prepared, printed and mailed the pumpers letter.

Acquired APN nos. at the office of the Riverside County Assessor. Updated database with new well locations for PGA and Sharondale wells. Queried parcel data for Exhibit D. Designed parcel map for Exhibit E. Updated overlyer information on parcel map and well monitoring maps. Re-queried parcel data for Exhibit D. Updated parcel map for Exhibit E. Contacted Ira of Sharondale Mesa for well locations. Updated database to include new well locations for So. Cal PGA and Sharondale. Contacted County of Riverside GIS department for information on the cost and licensing agreement for parcel data. Contacted Ron Sullivan for status of his parcels. Recalculated acre totals for Sunny-Cal. Held internal meeting on the status of the Groundwater Level Monitoring Program. Compared Beaumont's parcel data to Oak Valley's list of parcels sent to WEI by Mark Knoringa's office. Contacted Knoringa's office to verify that two of Oak Valley's parcels that were not on their list but are in Beaumont's parcel file were sold to Pardee Homes. Updated Exhibit D to reflect changes made on parcel IDs and acreage totals. Collated, folded, & printed 30 sets of the exhibits. Called Joe Aklufi to verify number of sets and title for Exhibit E.

Subject: Additional payment to SAWPA relative to TIN-TDS (Maximum Benefit Proposal).

Dear Mr. Dillon,

Please find enclosed, pursuant to our discussion at the August 19, 2003 Manager's Meeting, the correspondence in relation to the additional funding request from SAWPA. Additional funding is necessary to complete the Santa Ana Regional Water Quality Control Board Basin Plan Update (Maximum Benefit).

As indicated at the meeting, Chino Basin Watermaster and the Yucaipa Valley Water District have each agreed to pay one third of the requested funding; thus, leaving a balance of $23,333. It was my understanding that the City of Beaumont and the Beaumont Cherry Valley Water District agreed to pay the remaining one-third of the funding based on a 50/50 split.

~~Attached,~~ please find an invoice in the amount of $23,333. Half of this amount, exactly $11,666.50, is payable directly to SAWPA as per the understanding.

Respectfully,

San Timoteo Watershed Management Authority

Subject: Nitrogen TDS Funding

Dear Mr. Schlange:

On June 16, 2003 the Nitrogen TDS Task Force met and discussed concerns raised by the RWQCB over increased funding needs to cover their costs in FY 03-04 relating to finalization of the Basin Plan Amendment. As administrator for this effort, SAWPA prepared a budget in March 2003 for the Nitrogen TDS Task Force for FY 03-04 where cost projections were requested from the RWQCB. At that time based on feedback from the RWQCB and historical costs, it appeared that existing funding would be adequate and no additional funding was necessary to cover the remaining costs in FY 03-04. In recent months, the RWQCB indicated that significant changes and revisions resulting largely from the maximum benefit analyses for Chino Basin, Yucaipa, and San Timoteo basins would increase their staff costs associated with the writing of the Basin Plan Amendment and providing responses to the State Office of Administrative Law and EPA in FY 03-04. These costs were estimated to surpass the original expected RWQCB costs in FY 03-04 by $70,000.

Based on discussions between Mark Wildermuth of Wildermuth Environmental Inc. and the maximum benefit proponents held prior to the Nitrogen TDS Task Force meeting, the task force learned that the three maximum benefit proponents of Chino Basin Watermaster, Yucaipa Valley Water District, and San Timoteo Watershed Management Authority were supportive of equally sharing the additional costs projected by the RWQCB for FY 03-04 of $70,000.

Enclosed is an invoice for $23,333 to cover 1/3 of the $70,000 projected costs. On behalf of SAWPA and the Task Force, we wish to thank you for your support of the TIN TDS Task Force effort and your agency's willingness to provide the necessary funding to finalize the Basin Plan Amendment resulting from the TIN TDS effort. If you have any questions or concerns regarding the study, please feel free to discuss them with me at any time.

Very truly yours,

Mark R. Norton

Subject: Nitrogen TDS Funding

Dear Mr. Dillon:

In June of 2003, a funding request to support the increased RWQCB staff costs associated with the writing of the Basin Plan Amendment and maximum benefit analyses for the Nitrogen TDS Study Task Force was approved. In recent discussions with the RWQCB, concerns have arisen with the continued progress in completing the Basin Plan Amendment for the Nitrogen TDS Task Force in a timely fashion. With recent State cutbacks that took effect at the beginning of the State fiscal year, a key RWQCB staff member who was involved in the Nitrogen TDS Task Force was terminated. The result has significantly impacted the RWQCB's ability to finish the Basin Plan Amendment with the maximum benefit analyses in an expedited fashion. To resolve this issue, the RWQCB has suggested that perhaps SAWPA could contract with one of these key former RWQCB staff who was working on the TIN TDS Basin Plan Amendment and maximum benefit analyses to assist the RWQCB in completing this work quickly. Based on discussions between Mark Wildermuth of Wildermuth Environmental Inc. and your agency, it is our understanding that your agency is supportive of SAWPA contracting with Mr. Robert Nicklen, former RWQCB staff, to serve as consultant and help the RWQCB in completing the Basin Plan Amendment.

Enclosed is an invoice for $1250 to cover your share of the $10,000 projected cost. On behalf of SAWPA and the Task Force, we wish to thank you for your support of the TIN TDS Task Force effort and your agency's willingness to provide the necessary funding to finalize the Basin Plan Amendment resulting from the TIN TDS effort. If you have any questions or concerns regarding the study, please feel free to discuss them with me at any time.

Very truly yours,

Mark R. Norton

Subject: Watershed Monitoring Program Plan Invoice

Dear Mr. Dillon:

On October 14, 2003, a coalition of agencies approved funding to support a task order with Wildermuth Environmental Inc. to conduct the development of a plan for watershed monitoring and nitrogen loss monitoring. This work will meet the requirements of the Regional Water Quality Control Board (RWQCB) Basin Plan Amendment that incorporates the results of the TIN TDS study and maximum benefit analyses. Your agency was listed by the RWQCB as one of the many agencies with these water quality monitoring requirements. To meet these requirements, the agencies elected to conduct this work on a regional basis to minimize preparation costs and approached SAWPA to serve as the contract administrator for this effort. The cost allocation attached includes funding to support the consultant costs and the administrative costs by SAWPA to conduct the work. The administrative costs shown also include the SAWPA costs incurred during the first four months of the fiscal year during which several meetings were held with the listed agencies and the consultant to discuss how best to comply with the new RWQCB requirement attached.

An invoice for your agency's contribution is attached. We appreciate your prompt payment to the invoice. On behalf of SAWPA, we wish to thank you for your support. If you have any questions or concerns regarding the task order, please feel free to discuss them with me at any time.

Very truly yours,

Mark R. Norton, P.E.
Water Resources Planning Manager

WATER MAIN EXTENSION AND FACILITIES CONSTRUCTION AGREEMENT

Between

BEAUMONT-CHERRY VALLEY WATER DISTRICT
A public agency

And

PULTE HOME CORPORATION

TRACT 29193

WATER MAIN EXTENSION AND FACILITIES CONSTRUCTION AGREEMENT

This Water Main Extension and Facilities Construction Agreement ("Agreement") is entered into as of January 2004, by and between the Beaumont-Cherry Valley Water District, a public agency, ("BCVWD") and Pulte Home Corporation, a Michigan Corporation, for the construction of water systems to serve Tract 29193.

RECITALS

A. Developer owns certain real property ("Property") in the County of Riverside, more particularly described in Exhibit "A" attached hereto and incorporated herein by reference.

B. Developer has applied to BCVWD for water service to the Property. BCVWD is willing to provide service to the Property in accordance with its Regulations Governing Water Service and upon payment by Developer of applicable fees and construction and installation of certain facilities as set forth herein. The Property is comprised of all real property owned by Developer with the tract or subdivision subject to a specific plan, tract map, parcel map, or other similar documentation.

C. Certain facilities must be designed, constructed, installed, and then transferred/conveyed to BCVWD in order to provide water service to the Property ("Water Facilities"). Developer shall design, construct, and install the Water Facilities at its sole cost and expense.

D. This Agreement is intended to provide the terms and conditions upon which Developer shall construct and install the Water Facilities and pay certain fees necessary for constructing and installing the Water Facilities and to initiate delivery and receipt of service to tract 29193. The provisions of this Agreement shall be in addition to all other obligations and fees required in order to initiate the provision of water and recycled water service to the property.

NOW, THEREFORE, in consideration of the terms and conditions set forth in this Agreement, the parties agree as follows:

1. Water Service

a. **(Construction And Installation Of Water Facilities And Oversized Water Facilities)**
(i) Developer shall be responsible for construction, installation, testing and disinfection of the Facilities within one (1) year of the Effective Date. The Water Facilities are more particularly described in the plans and specifications ("Plans") attached or referred to in Exhibit "B" hereto and incorporated herein by reference. For purposes of this Agreement, the date set forth in the preamble is the effective date ("Effective Date").

(ii) **(BCVWD Standards.)** Developer shall construct the Water Facilities in absolute compliance the Plans, including any phasing design, and in accordance with BCVWD's "Standards for the Furnishing of Materials and the Construction of Water Facilities and preparation of Water System Plans," dated January 1996, and they may be amended from time to time, which are available at BCVWD's office and are incorporated herein by reference.

(iii) **(Completion Guarantee.)** The total amount of the construction costs, as estimated by Developer's engineer for the Water Facilities shown on the Plans, equal $293,028. Developer shall post a completion bond, irrevocable letter of credit, or other surety or deposit, all

subject to approval by BCVWD, in the amount of $424,890.60, to guarantee completion of the Water Facilities within one (1) year from the effective date of this Agreement.

(iv) **(Workmanship Guarantee.)** Developer shall, by virtue of an irrevocable letter of credit, or other surety or deposit, all subject to approval by BCVWD, guarantee the completed work against repairs necessitated by defective workmanship or materials furnished and installed for a period of one (1) year from the date of acceptance of the dedication of the Water Facilities by BCVWD. Developer shall furnish such guarantee in amount equal to the total cost of construction and installation; provided, however, that the bond, irrevocable letter of credit or other surety may be cancelled, reduced or replaced from time to time with the express written consent of BCVWD, which consent may be withheld in BCVWD's sole and absolute discretion.

(v) **(Award of Contracts.)** Developer shall be solely responsible for securing appropriate contracts for construction and installation in compliance with all applicable federal, state, and local laws. Developer's contractor shall secure all necessary permits, including without limitation construction and encroachment permits required by federal, state and local agencies having jurisdiction over the Property.

(vi) **(Inspection and Transfer of Project.)** (A) Without modifying or limiting Developer's obligations under this Agreement, BCVWD shall have the right but not the obligation to, monitor the installation, testing, and disinfect ion of the Water Facilities. BCVWD shall have access to the Property at all times to conduct any tests or inspections. Any deficiencies in the Water Facilities shall be corrected by Developer at its sole cost and expense. Upon completion of the construction and installation to the satisfaction of BCVWD, the Water Facilities shall be presented to BCVWD for dedication and acceptance. Acceptance shall not be considered as a determination by BCVWD that the facilities were constructed in accordance with approved plans, specifications and contract documents, or that they operate satisfactorily, or that all other requirements of this Agreement have been satisfied. Upon acceptance of said facilities, Developer shall convey title to said facilities to BCVWD and shall assign to BCVWD all of Developer's rights and remedies, including warranties. The form of title shall be determined by BCVWD. BCVWD shall not be responsible for any accident, loss, or damage to said facilities prior to acceptance by BCVWD.

(B) Concurrently with the Developer's execution of this Agreement, Developer shall deposit with BCVWD the sum of $46,000.00 Dollars ("Deposit"). The Deposit shall be held by BCVWD for all costs and expenses of BCVWD arising out of or in connection with the review of plans and specifications, engineering, surveys, field note and grade sheets, inspections of the work and any matter related to or arising out of the same. Developer hereby authorized BCVWD to sue, apply or retain all or any part of the Deposit to offset its costs and expenses related to the foregoing duties. BCVWD shall not be required to keep the Deposit separate from its general funds, and Developer shall not be entitled to interest on the Deposit. If there are any funds left in the Deposit after the completion or acceptance of all of the work, such excess shall be returned to Developer within thirty (30) days following completion of the work. If further funds are necessary, Developer shall, within thirty (30) days after written demand thereafter, deposit cash with District in an amount which District considers sufficient to pay for the costs and expenses to be included hereunder.

b. Payment of Water Facilities Fees. The applicable water facilities fees for the Property ("Water Facilities Fees") Shall be based upon **157** equivalent dwelling units, which is the total number of EDUs for the Property calculated with reference to the applicable specific plan tract map, parcel map, or other documentation for the Property. On or before the effective date of this Agreement, Developer shall pay to BCVWD the Water

Facilities Fees set forth below on the Exhibit "C-1" attached hereto and incorporated herein, as may be amended from time to time.

2. **Standard of Care; Safety**. Developer shall ensure that all work is performed in a skillful and competent manner, consistent with the standards generally recognized as being employed by professionals and contractors in the same discipline in the State of California. Developer shall procure the services of professionals and contractors skilled in the professional calling necessary to perform the work and licensed and otherwise qualified to perform such work. Developer shall ensure that it and its consultants and contractors execute and maintain their work so as to avoid injury or damage to any person or property. In carrying out their work, they shall at all times be in compliance with all applicable federal, state and local laws, rules and regulations, and shall exercise all necessary precautions for the safety of employees appropriate to the nature of the work and the conditions under which the work is to be performed. Developer shall promptly remove any employee who is determined by BCVWD to be uncooperative, incompetent, a threat to the adequate or timely completion of the project, a threat to the safety of persons or property, or who fails or refuses to perform his or her work in a manner acceptable to BCVWD.

3. **Indemnification.** Developer shall defend (with counsel of BCVWD's choice), indemnify and hold BCVWD, its officials, officers, employees, consultant, and agents from any and all and claims, liabilities, losses, costs, expenses, damages or injuries to property or persons, including wrongful death, in any manner arising out of related to any acts, omissions or willful misconduct of Developer, its officials, officers, employees, agents, consultants and contractors arising out of or related to the Agreement or the design, construction or installation of the Water Facilities, including without limitation, the payment of all consequential damages, attorneys fees and other related costs and expenses. At a minimum, this indemnification provision shall apply to the fullest extent of any warranty or guarantee implied by law or fact, or otherwise given to Developer by Developer's design consultant(s) or contractor(s). In addition, this indemnity provision and any such warranties or guarantees shall not limit any liability under law of such consultants or contractors. Without limiting the foregoing, this indemnity shall extend to any claims arising because Developer has failed to properly secure any necessary easements, land rights, contracts or approvals.

4. **Insurance**

a. Requirement. Developer shall require all persons performing work in connection with this Agreement, including its contractors and subcontractors, to procure and maintain, at their expense, until completion and acceptance by BCVWD of the work under this Agreement, insurance against claims for injuries to persons or damages to property which may arise out of, or in connection with, the performance of their work or that of their agents, representatives, employees or subcontractors.

b. Minimum Scope and Limits of Coverage. Such insurance shall have limits no less than: (1) General Liability: $1,000,000 per occurrence for bodily injury, personal injury and property damage; (2) Automobile Liability: $1,000,000 per accident for bodily injury and property damage; (3) Workers' Compensation and Employers' Liability: Workers' compensation limits as required by the Labor Code of the State of California. Employer's Liability limits of $1,000,000 per accident for bodily injury or disease; and (4) Builders'/All Risk: Completed value of the work performed under this Agreement.

c. Professional Liability Insurance. All architects, engineers, consultants or design professionals shall also procure and maintain, for a period of five (5) years following completion of the work, errors and omissions liability insurance with a limit of not less than $1,000,000.

d. Acceptability of Insurers. Insurance shall be placed with insurers licensed to do business in California and having a current A.M. Best's rating no less than A: VIII.

5. Default. In the event either party defaults in the performance of any of its obligations under this Agreement, or materially breaches any of the provisions of this Agreement, the other party shall have the option to terminate this Agreement upon written notice to the defaulting party. The foregoing is in addition to any remedies either pay may have in law or equity.

6. Additional Fees. In addition to any fees and charges set forth in this Agreement, Developer shall be responsible for any other fees and charges imposed by BCVWD if District-wide application, including but not limited to, front foot fees at such rates as BCVWD shall require.

7. General Provisions.

a. Environmental Contamination. Without modifying or limiting Developer's indemnify obligations set forth elsewhere in this Agreement, Developer shall indemnify and hold harmless BCVWD from any liability upon any act or omission of Developer for any violation of any federal, state or local law, ordinance or regulation relating to environmental conditions on, under or about the Property, including, without limitation soil and groundwater conditions, and Developer shall defend, at its expense, including attorneys' fees, BCVWD against any claim, action, or proceeding based upon any such alleged act or omission. BCVWD may, in its discretion, participate in the defense of any such claim, action, or proceeding.

b. No Waiver. BCVWD's or Developer's failure to insist on performance of any of the terms or conditions of this Agreement or to exercise any right, remedy or privilege or BCVWD's or Developer's waiver of any breach hereunder shall not thereafter be deemed a subsequent waiver of any other terms, conditions, or rights, remedies or privileges, whether of the same or similar type. No party will be deemed to have waived any rights under this Agreement unless the waiver is made in writing and signed by the waiving party or that party's duly authorized representative. All rights and remedies provided for under this Agreement are cumulative.

c. Cooperation. The parties agree to cooperate with each other in furthering the purposes of this Agreement. The parties hereby agree to take such other actions and execute such other reasonable documents as are consistent with this Agreement and as are reasonably necessary to effectuate this Agreement; provided, however, that the foregoing shall not require BCVWD to take any legislative action or exercise its discretion in any particular manner.

d. Entire Agreement. This Agreement contains the final and complete agreement between the parties with respect to the matters herein discussed and supersedes all previous communications and agreements between them, either oral or written, to the extent such prior communications and agreements are inconsistent with this Agreement.

e. Assignment Of Agreement. Except as expressly provided to the contrary, this Agreement is not assignable, in whole or in part, by Developer, without the prior written consent of This Agreement is not assignable, in whole or in part, by Developer, without the prior written consent of BCVWD, and any attempt to make such assignment shall be void and shall constitute an incurable material default under this Agreement. Developer may transfer all or any portion of the Property without BCVWD's consent. Such transferee shall take, hold, and develop the Property (or portion thereof) subject to the provisions of this Agreement.

f. Public Works. Developer is required by this Agreement to construct and install certain public works, which will be dedicated to BCVWD upon completion. Unless required by applicable law to do so, Developer shall not be required to perform such work in the same manner and subject to the same requirements as would be applicable to BCVWD had it undertaken such construction including without limitation, the payment of prevailing wages pursuant to Labor Code Section 1770 et seq. Should it be determined in the future by either the Legislature or a court of competent jurisdiction that Developer was required to comply with the same requirements as would be applicable to BCVWD had it undertaken such construction, Developer shall indemnify, defend, and hold harmless BCVWD from any and all liability, including costs of litigation and attorneys' fees, arising from Developer's construction and installation.

g. Attorneys' Fees. In the event that any action or proceeding is commenced between BCVWD and Developer to enforce or interpret any term of this Agreement, the prevailing party in such action or proceeding, in addition to all other relief to which it may be entitled, shall be entitled to recover from the other party the prevailing party's costs of suit and reasonable attorney's fees. The attorney's costs and fees shall include, without limitation, attorney's costs and fees incurred on appeal and those incurred in enforcing any judgment rendered in any such action or proceeding. Such attorney's costs and fees may be recovered as an element of costs in the underlying action or proceeding or in a separate recovery action.

h. Notices. All notices shall be in writing and shall be considered given: (i) when delivered in person to the recipient named below; or (ii) three days after deposit in the United States mail, postage prepaid, addressed to the recipient named below; or (iii) on the date of delivery shown in the records of the telegraph company after transmission by telegraph to the recipient named below; or (iv) on the date of delivery by facsimile transmission to the recipient named below. All notices shall be addressed as follows:

If to BCVWD:

General Manager
Beaumont-Cherry Valley Water District
P.O. Box 2037
Beaumont, CA 92223-2037
Telephone: (909) 845-9581
Facsimile: (909) 845-0159
bcvwdGM@msn.com

If to Developer:

Pulte Home Corporation, a Michigan Corporation
18401 Von Karman
Suite 200
Irvine, CA 92612

Either party may, by notice given at any time, require subsequent notices to be given to another person or entity, whether a party or an officer or representative of a party, or to a different address, or both. Notices given before actual receipt of notice of change shall not be invalidated by the change.

i. Governing Law. This Agreement and its provisions shall in all respects be interpreted, construed, enforced and governed by and under the laws of the State of California, without regard to its conflict of laws principles.

j. Consent to Jurisdiction, Venue and Service. Any action or proceeding brought respecting this Agreement shall be instituted and maintained in the appropriate court in the County of Riverside, California. Developer hereby forgoes and waives any provision of law providing for a change of venue from such courts on the grounds that BCVWD is or may be a party to any such action or proceeding.

k. Modification. This Agreement may be modified only by another written instrument duly authorized and executed by both BCVWD and Developer.

l. Severability. The provisions of this Agreement are specifically made severable. If any clause, provision, rights or remedy provided for herein is determined to be unlawful or unenforceable, the remainder of this Agreement shall remain in effect and be enforced as if such clause, provision, right or remedy were not contained herein.

m. Rules of Construction. The language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning, and not strictly for or against, either BCVWD or Developer. This Agreement is the product of mutual negotiation and drafting efforts. Accordingly, the judicial rule of construction that ambiguities in a document are to be construed against the drafter of that document shall have no application to the interpretation or enforcement of this Agreement.

n. Execution. This Agreement may be executed in one or more counterparts, each of which shall be an original and all such counterparts together shall constitute the entire agreement of the parties hereto.

o. Authorization. Each individual executing this Agreement hereby represents and warrants that he or she has the full power and authority to execute this Agreement on behalf of the named parties.

EXHIBIT "C"

WATER FACILITIES FEE

OVERSIZING

1. In addition to the Water Facilities to be constructed pursuant to this Agreement, Developer agrees to construct additional facilities and/or construct the Water Facilities of such size and proportion to provide water service to adjacent and/or additional real property that is not a party of the Property (collectively, "Oversized Water Facilities"). The Oversized Facilities are described in the Plans. The parties hereby agree that each and every provision in this Agreement related to the Water Facilities shall apply to the Oversized Water Facilities, including but not limited to, the design, construction, installation and dedication of such facilities. Further Developer hereby agrees to advance the costs of designing, constructing and installing the Oversized Water Facilities subject to reimbursement as more particularly set forth in this Exhibit.

2. a. Developer shall be eligible for reimbursement in an amount equal to the difference between the costs of the Water Facilities with the Oversized Water Facilities and the costs of the Water Facilities without the Oversized Water Facilities. The costs to be taken into account in determining the amount eligible for reimbursement shall be the costs of construction and installation of the respective facilities only.

b. Reimbursement shall be made only in the event there are funds available from the applicable Water Facilities Fees collected from subsequent property owners or customers whose property is connected to, or otherwise receives service through, that portion of BCVWD's water system of which the Oversized Water Facilities are a part ("Designated Source") and located in the service area described in Exhibit "C-1" attached hereto and incorporated herein by reference. BCVWD shall be under no obligation to require connection of other properties to the water system, if, in the future, BCVWD determines that alternative means of providing such service are more beneficial to BCVWD.

c. Reimbursement shall only be made in the event there are funds available from the Designated Source, which are paid, by future property owners or customers within a period of ten (10) years from the effective date of this Agreement ("Period of Reimbursement"). Reimbursement shall terminate upon expiration of the Period of Reimbursement, regardless of what portion of the amount eligible for reimbursement as set forth in this Agreement.

d. Within thirty (30) days after completion and formal acceptance by BCVWD of the Water Facilities and Oversized Water Facilities, Developer shall provide BCVWD with an itemized accounting showing all reasonable costs and expense incurred by Developer to construct and install the Water Facilities and Oversized Water Facilities ("Cost Bill"). Reasonable costs shall be limited to the reasonable costs directly and necessarily related to the construction and installation of the Water Facilities and Oversized Water Facilities, including the reasonable costs of permit fees. The Cost Bill shall be itemized in order to segregate that portion of the costs and expenses pertaining to the Water Facilities with Oversized Water Facilities from that portion of the costs and expenses pertaining to the Water Facilities without Oversized Water Facilities. The information to be included with the Cost Bill shall include bills of sale, an executed and filed notice of completion, all contracts and purchase orders, all change orders, and all invoices. The Cost Bill shall be subject to the review and approval of BCVWD, and no costs or expenses on the Cost Bill shall be reimbursable until approved by BCVWD, which approval shall not be unreasonably withheld. Developer agrees to provide BCVWD with any additional information as to any items on the Cost Bill as may be

requested by BCVWD. Developer shall not be eligible for reimbursement of any costs or expenses, which are not included in the Cost Bill.

e. Upon completion and acceptance of the Water Facilities and Oversized Water Facilities and BCVWD's approval of the Cost Bill, BCVWD shall notify Developer in writing of the amount eligible for reimbursement to Developer for the Oversized Water Facilities and/or for the portion of the Water Facilities Fees that are imposed to fund the Oversized Water Facilities ("Approved Reimbursement Amount"). Unless Developer notifies BCVWD, in writing, within thirty (30) days of receipt of notice, the Approved Reimbursement Amount shall be deemed final. As funds become available for reimbursement from the Designated Source, BCVWD shall reimburse Developer up to the Approved Reimbursement Amount.

f. Developer hereby agrees that reimbursement may occur over a period of years and that Developer shall not be entitled to interest on any amount of reimbursement due to Developer under this Agreement.

Subj: **Viele permitting - USACE facts, plus small fee adjustment**
Date: 6/24/2004 12:06:19 PM Pacific Standard Time
From: priya@earsi.com
To: Ulcdave@aol.com

Dave,

The Viele Ave permit applications to the CDFG and RWQCB went out yesterday. I sent you a hardcopy of all submitted materials, to the City offices. As you requested, I did not send application materials to the USACE.

I have documented that on June 23, I spoke with Mark Durham, chief of the South Coast Section of the Regulatory Branch, USACE, and he said that if you are in compliance with all the General Terms and Conditions of the NWPs, then you do not need to submit anything to the Corps for impacts under a tenth of an acre (this is called a "non-notifying" Nationwide Permit, and the Viele Avenue crossing would be eligible under NWP 14 for road crossings, among others). He also acknowledged that equating a non-notifying permit with no permit was a common mistake amongst the regulated public. Regarding Viele, he said that if you wanted to create a "paper trail" and receive written correspondence from the Corps for this project, he would probably choose to review it under a NWP 32, for "enforcement actions," as the Corps would be comfortable with this level of review.

I also have documented that I spoke with Ms. Tiffany Troxel of the Corps Office of Counsel, to confirm that for road crossing projects with impacts under a tenth of an acre, you are NOT required to submit applications or other written information to the Corps prior to conducting the activity. You must simply verify that your project would meet the General Terms and Conditions of the NWP program, and then proceed with the work. Furthermore, there is no longer a need to submit a "post-project report" within 30 days of the completion of work, as this requirement was removed from the Federal Regulations circa 2002.

Finally, due to recent changes CDFG fee program, I am still in a period of learning and re-adjustment to their new fees, and I misquoted the CDFG fees for the Viele project to you. The CDFG 1602 fee is equal to the a flat processing fee ($154) plus the fee based on project cost ($1500 as we discussed). **Therefore, I wrote a check from my own corporation, Priya Jean Finnemore, Inc., to cover the additional fee and be able to submit all items in our applications yesterday. Can you please cut another City check, written to "Priya Jean Finnemore, Inc" for the CDFG 1602 processing fee, in the amount of $154.00? Thank you, and sorry for the inconvenience!**

CONDITIONAL WAIVER AND RELEASE UPON PROGRESS PAYMENT

(California Civil Code 3262(d)(1))

Upon receipt by the undersigned of a check from **City of Beaumont** in the sum of **$91,836.09** payable to **Grand Pacific Contractors, Inc** and when the check has been properly endorsed and has been paid by the bank upon which it is drawn, this document shall become effective to release any mechanic's lien, stop notice or bond right the undersigned has on the job of **Marshall Creek Project #08-05141** located at **Brookeside & Noble, Beaumont, CA,** to the following extent.

The specific information is for invoice **#1070**

This release covers a progress payment for labor, services, equipment or material furnished to through **2/6/09** only and does not cover any retentions retained before or after the release date; extras furnished before the release date for which payment has not been received; extras or items furnished after the release date. Rights based upon work performed or items furnished under a written change order which has been fully executed by the parties prior to the release date are covered by this release unless specifically reserved by the claimant in this release. This release of any mechanic's lien, stop notice, or bond right shall not otherwise affect the contract rights, including rights between parties to the contract based upon a rescission, abandonment, or breach of contract, or the right of the undersigned to recover compensation for furnished labor, services, equipment, or material covered by this release if that furnished labor, services, equipment, or material was not compensated by the progress payment. Before any recipient of this document relies on it, said party should verify evidence of payment to the undersigned.

REPORT OF LISTED EVENT
TERMINATION OF REPORTING OBLIGATION

$10,635,000 Beaumont Financing Authority 2002 Local Agency Revenue Bonds, Series A (Improvement area no. 8)

This Report of Listed Events is hereby submitted pursuant to Section 6 of the Developer Continuing Disclosure Agreement dated as of March 1, 2002, executed by the undersigned, Pardee Homes, a California corporation, as Developer and Union Bank of California, N.A., as the Trustee (and acting in its capacity as Dissemination Agent), in connection with the issuance of above-captioned bonds by the City of Beaumont (Beaumont Financing Authority).

As of December 31, 2006, Pardee Homes is no longer a "Major Owner" of land in the District as it does not own property that is subject to 20% or more of the Special Tax Levy of the Community Facilities District. Pardee Homes' obligation to report under the Developer Continuing Disclosure Agreement is therefore terminated.

Officer Certificate

The Undersigned Developer hereby certifies that this Report constitutes the Report of Listed Events required to be furnished by the Developer under the Developer Continuing Disclosure Agreement, dated as of March 1, 2002, executed by the developer and Trustee in connection with the issuance of the above-captioned bond.

ANY OTHER STATEMENT REGARDING THE DEVELOPER, THE DEVELOPMENT OF THE PROPERTY, THE DEVELOPER'S FINANCING PLAN OR FINANCIAL CONDITION, OR THE BONDS, OTHER THAN STATEMENTS MADE BY THE DEVELOPER IN AN OFFICIAL RELEASE OR NEWSPAPER OF GENERAL CIRCULATION, OR FILED WITH THE MUNICIPAL SECURITIES RULEMAKING BOARD OR A NATIONALLY RECOGNIZED MUNICIPAL SECURITIES INFORMATION REPOSITORY, ARE NOT AUTHORIZED BY THE DEVELOPER. THE DEVELOPER IS NOT RESPONSIBLE FOR THE ACCURACY, COMPLETENESS OR FAIRNESS OF ANY SUCH UNAUTHORIZED STATEMENTS.

NOTES/COMMENTS:

LaNora,

At Dave Dillon's request, I am sending you a request for a check to be written for the purchase of mitigation credits associated with the Viele Avenue road improvements.

Following is a letter and an invoice from the East Valley Resource Conservation District, which indicates that they will conduct 0.06 acres of exotics removal and monitoring within the San Timoteo Creek watershed as a result of the City's contribution. For this work, the City should prepare a check in the amount of $3000.00. (This letter from the EVRCD is in reply to our request for the purchase of mitigation credits for the Viele Avenue culvert crossing, associated with the WWTP upgrade, made on September 16, 2004).

The check for $3000.00 should be made out to the East Valley Conservation District, and sent to the address below:

East Valley Conservation District
Attn: Jennifer Ares
25864-K Business Center Drive
Redlands, CA 92374

Please let me know when this has been done (a quick e-mail to priya@earsi.com would suffice). If you have any questions, please feel free to call me at (310) 285-9845.

Thank you!

Dear Priya:

Thank you for your support of the East Valley Resource Conservation District program and our ongoing efforts in non-native material removal. We will accept the trust fund contribution by the City of Beaumont in the amount of $3,000.00 for the removal and control of 0.06 acres of non-native material. This amount will be used for short-term management (5 yrs) of removal and spray along a sub-tributary of San Timoteo Creek in Riverside County. No photo documentation or annual reports will be made with this contribution.

We have also reviewed the correspondence from the Regional Water Quality Control Board regarding the violation and mitigation required under File No. 332004-24-TIS. East Valley Resource Conservation District has been involved in invasive species management since 1997 and has been conducting threatened and endangered species surveys, habitat restoration and enhancement and monitoring in San Timoteo Creek and its tributaries. The mitigation will further our invasive species removal efforts in the San Timoteo Watershed. Thank you again for your support of the mitigation program. If you have any questions about the projects, or would like to visit one of our sites, please contact David Hansberger or Jennifer Ares at the number above.

Sincerely,

Jennifer Ares

RE: Beaumont 93-1 2003A Escrow Fund, Account #6711702210

Dear Mr. Ball:

This letter hereby authorizes the "Release of Escrow Funds" from the above referenced account as outlined in the Section entitled "Repayment of District Bonds" located on page 25 of the Official Statement.

The augmentation value calculated has reached the funds available in the above referenced account, therefore the remaining balance of $3,769,500.00 should be transferred to the Construction Fund, Account #6711702208 as soon as possible.

If you require additional information, please contact me.

Very truly yours,
CITY OF BEAUMONT
